Dear CCP Families and School Community:

I am honored and excited to join the Cleveland College Preparatory School family as the new principal. I have been an educator for more than 20 years and have been fortunate to serve students, families, and staff as an elementary and middle school teacher. Since 2005, I have served in various leadership roles as an elementary, middle, and high school principal.

I am the proud father of four children. I have identical twin sons. My eldest daughter is a senior at the University of Cincinnati, and my youngest daughter recently graduated from high school this past May; I would love to mention I was her first principal.

As your scholar's principal I promise:

1. To treat your child as I would my own children - with love, dignity, honor, and respect.
2. To foster a culture of high academic and social emotional expectations for teaching and learning.
3. To co-create an environment that will make CCP the best place to work and learn.

It is important to me that CCP is a place of emotional safety. I believe a positive school climate, culture, and academic achievement go together. As such, bullying and threatening behaviors will not exist in our school community. All children will feel emotionally safe at school.

As head of school, I will model a culture of respect. Respect from staff to students and parents, respect from students and parents to staff, and we will all share an environment of dignity and respect for one another.

It is my belief that we, as a school community, can achieve at high levels in the following areas:

1. We will reach our daily attendance goal of 93% for all scholars K – 8.
2. All third-grade scholars will achieve success in reading at or above grade level by the end of the academic year.
3. CCP's performance index (PI) score will realize a gain of at least 40% from the previous academic year.

I am excited to see all of you at our upcoming Block Party on Monday, July 31, 2023, from 5:00 p.m. to 7:00 p.m. here on CCP's campus. I look forward to a fabulous school year with phenomenal success. If you need to reach me in an emergency, please feel free to call me at 440.561.6010.

In leadership and service,

# Cleveland College Preparatory School
